

NOMADS

GOLF CLUB EASTERN CAPE

Founded 1972

Humewood Golf Club

NOTICE BOARD

Score to be entered at club after Nomads round

Please putt out per the new SAGA Handicap rules system!

Nomads handicap ceiling in relation to club handicap is as per the table available at your monthly game registration

SAMSON system

Cut one shot for every two over window...

It is not limited to 4 anymore

Important Notes

- Members to update Cobus van Biljon on any change of personal details for our Database purpose.
- Only ten (10) tickets will be allowed to be sold per person per game for the "Pick 3"
- Chino trousers are not allowed to be worn during play and visitors to wear a jacket and tie for prize giving.
- We are playing "Ready Golf" not "Speedy Golf"
- Please adhere to Nomads Dress Code - only recognised Nomads kit is allowed to be worn at a Nomads game!

Captains News

Fellow Nomads,

So, Sunday 20th June was Fathers Day and did Humewood Golf Club dish us out a Fathers Day present of note - perfect weather.

I had the privilege of playing with our National Chairman, Stuart McIver - along with Rowlin Adonis and my best friend and guest from Gauteng, Claude de Ville. Well, Claude and I did the politically correct thing and let the Nash and Rowlin win - but only this time! We both paid over happily and have moved on after that (with a bit of counseling required on Monday!) Well

played gents - we will have some revenge at some stage.

The course was in great condition and I'm surprised the scores were so low? Well done to Jason Saunders, Jason Aitken and Jayden Polglase on their Divisional wins on 38, 36 and 37 points respectively.

I'm not sure why my son, David, has decided to start collecting Teddy's (is there something I should know) but 21 point should have been good enough to dodge that bullet - it was not to be!

Unfortunately, I was not made aware that we had to place our Halfway House orders in at the golf shop before we tee'd off, so I couldn't let you know - that was the only slip up on the day - I appologise for that!

Thank you to our JVC - Brendon and Chris King for that Fathers Day

gift of a bottle on Glenbrynth for all the fathers - a lovely touch!

Thanks also to our ladies (Jeanne, Christell and Joanne) for the hard work they did on Sunday from registration to completing the prize sheet even though we didn't have prize giving. The whole process went very smoothly and nice to not have any hitches.

We still have to push to get payments in for our games. Gents, we are not going back to cash payments at the game for your green fees, so we really need you to make your payments when you register and send that Proof Of Payment through to us.

Well done to Ian "Bunter" Macaulay on his Eagle on the Stroke 1, 8th hole. A simple drive and 9 iron into the hole! Hope you enjoy your box of TaylorMade golf balls that you have won, sponsored by Dennis Jones and PDP Maintenance!

I look forward to seeing you at Uitenhage Golf Club in July for our Monthly Game there - we will advise if we can have prize giving closer to the time. I encourage and challenge you all to bring a guest and show them what Nomads is all about!

Yours in Nomads,

Ian Gooden

Vice Captain Update

Good day Nomads,

I chose to spend my Father's Day with my family so I missed out on the Humewood game this month.

I did however play a make up game in the Southern Cape a week earlier, Simola was an amazing challenge as always and for once it was not wet...

The Southern Cape hosting was as expected, **AMAZING** and efficient, registration was a breeze and the only wasted time was taken up by a few Jägermeister's at the bar.

Thanks must go to my travel companions, well deserved outing with great company.

The next game is Uitenhage and the course in winter the course plays its best!!

See you gents ...

VC Snapper

Dear Fellow Nomads

What a great day out at Humewood. Truly blessed by the weather gods, 30 degrees in the middle of winter and hardly any wind to speak of. The course is in great condition and was an absolute pleasure to play.

A special thanks to the staff at Humewood who had the challenge of hosting Nomads as well as their own members and guests for a Father's Day luncheon. A professional affair. There was only one slight hiccup in that it was not really made clear to us as to the halfway setup which was to pre-order your meal. However, I must also take the blame for this as I was aware of the setup having played there 2 weeks earlier and slipped up by not notifying the registration table to inform the players. So, to those of you who were on the unfortunate receiving end of this little slip up, please accept my humblest apologies. However, in saying that, there are some of us like our erstwhile Captain who could afford to skip a halfway house or two. To all those members who could not play due to Father's Day commitments, sincere apologies for the logistical oversight. I am extremely confident that the day has been clearly highlighted for future reference.

To Chris King, a very big Thank You for the miniature bottles of Glenbrynth which were handed out as Father's Day gifts to the players. It was very well received and I know that they came in very handy for some on the course.

Thank you to my covey of Ian "Bunter" Macaulay, Desmond "Tappie" White and my guest and playing partner and hopefully future Nomad, Wesley Kew. Wesley is currently a member at Humewood and also serves on the committee at the club. I believe he will be a great addition to the Nomads fraternity. What a sight to watch Bunter hole out for 2 on the stroke 1, 8th hole. After playing 2 shots, I still had not reached his drive but at least I did not have to go down on my knee to retrieve my ball out of the hole. Well played Bunter. There was however consolation in that we still managed to take full house off Bunter and Tappie. Always a pleasure to help lighten the load.

It is great to see our Nomads travelling to the other clubs to participate in their monthly games. That is what Nomads is all

The range to drive.

Whether you are looking to head down the highway or prefer exploring rougher terrain, the Volkswagen Range from Tavcor Commercial Vehicles on Mount Road has the perfect match for both work and play.

JVC News

about. If I could ask those who are fortunate enough to participate in these games to please give us feedback on their experience. (i.e. what do the other clubs do differently that we could possibly adopt to enhance the experience of our own monthly game and thus hopefully make it more attractive for current and prospective members. Areas to consider would be registration, on course experiences, costs, prize giving, etc.) Any positive feedback would be greatly appreciated. I would even like to suggest that travelling parties consider drafting a short report on their visits which could then be published in the monthly magazine. Some tour photographs would also be a great addition.

If you have any concerns, issues or suggestions, please do not hesitate to contact Ian, Snapper or myself. Alternatively, you can drop a mail to the Club Secretary, David Gooden at secretary@easterncapenomads.co.za and he will ensure that it is distributed to the relevant person or persons.

Lastly, if I could implore on all our Nomads to assist with sponsorships towards the prize table. If we look at other provinces it is my perception that the majority of the prize table is coming from within the club. Under the currently economic circumstances, outside sponsorship is extremely difficult to come by and understandably difficult to justify. Thus, if any Nomad is in a position to make any form of contribution, monetary or other, it will go a long way to enhancing our prize table. No amount is too small and it does not have to be a fixed commitment, it can be done on an adhoc basis as and when the budget allows. Thank You.

As always, a big shout out to our loyal sponsors and to all our members for their continued support of our great club.

See you at Uitenhage.

Cheers and stay safe.

Yours in Nomads.
