Captains News

Fellow Nomads,

It was with such a great sadness we had to say goodbye to a great friend and golf legend, Neale Kunhardt.

I am so proud to have known Neale in my life and I will cherish all my fond memories I have of him... from being reprimanded by him for incorrect introductions at Nomads Prize Givings to assisting me with golf rules (via phone calls) while playing a round of golf.

I will miss the long chats after our PE Golf Cub committee meetings to the braais we had where he shared countless stories of all the Nationals he attended.

Chatting about all the momentos he had in his bar from various golf events and most off all playing golf with him which I did quite a few times and really enjoyed.

I guess my best game was his last with Nomads at East London Nationals where we played together on the final day – a day I will remember for many years to come.

Thank you for everything you did for us, your countless hours of help in all spheres

I will really miss you!

Rest In Peace Neale

Vice Captain Update

Hello Fellow Nomads

A big thanks to all the members that attended the Belmont game and especially all the guests that joined us, numbers started off a bit slowly but to have 50 players for a game that is an hour out of PE was great.

Not having a prize giving was a let down but at least we got to celebrate the life of Neale Kunhardt and a Hole in One by Roy Newman...

The scores in my four ball did not show the talents of our golfers, when you take 17 holes to get the tee box its more than a struggle.

AMT fundraising time soon so please be aware that we will be hosting a Music Trivia – General Knowledge - Sports Trivia Evening at the end of July, we will announce the details in the next couple of day so please check your emails...

Regards

JVC News

Dear Fellow Nomads

Thank you to all the Nomads that participated in the monthly game at The Belmont. Although we had a relatively decent field of 52, it was disappointing in that we only had 37 EC Nomads playing. It is very clear that supporting the outlying clubs comes with it's challenges but that is the spirit of Nomads. In saying that, although the road to Grahamstown is decent enough, the abilities of some of the folk using that road is quite scary. A big shout out to our hosts who went out of their way to make us feel most welcome and truly put on a professional show.

Thank you to my covey of Bunter, Karl "Woof Woof" Rohroff and Weitzie. It was a great day out on a very challenging course but we had good fun. Always a pleasure to lessen the load on Woof Woof and Weitzies wallets. Woof Woof, as your Dad always told you, don't leave it short.

Congratulations to Jurgens for winning the Teddy, again. I think that you should just become a permanent altar bunny.

I am busy planning a special game hopefully to take place at Kirkwood in September. It will be a week day. I will put out a survey in the coming days to see what day best suits most Nomads. No matter the size of the field, we will be going.

There are some niggly issues within Nomads EC that we have identified as Captains and the Committee. We have given this some serious debate and will be implementing strategies to ensure that the Nomads experience always remains professional, efficient and enjoyable.

See you at Humewood.

Cheers.

Yours in Nomads,

Brendon Mc Neill
